MADE IN ITALY

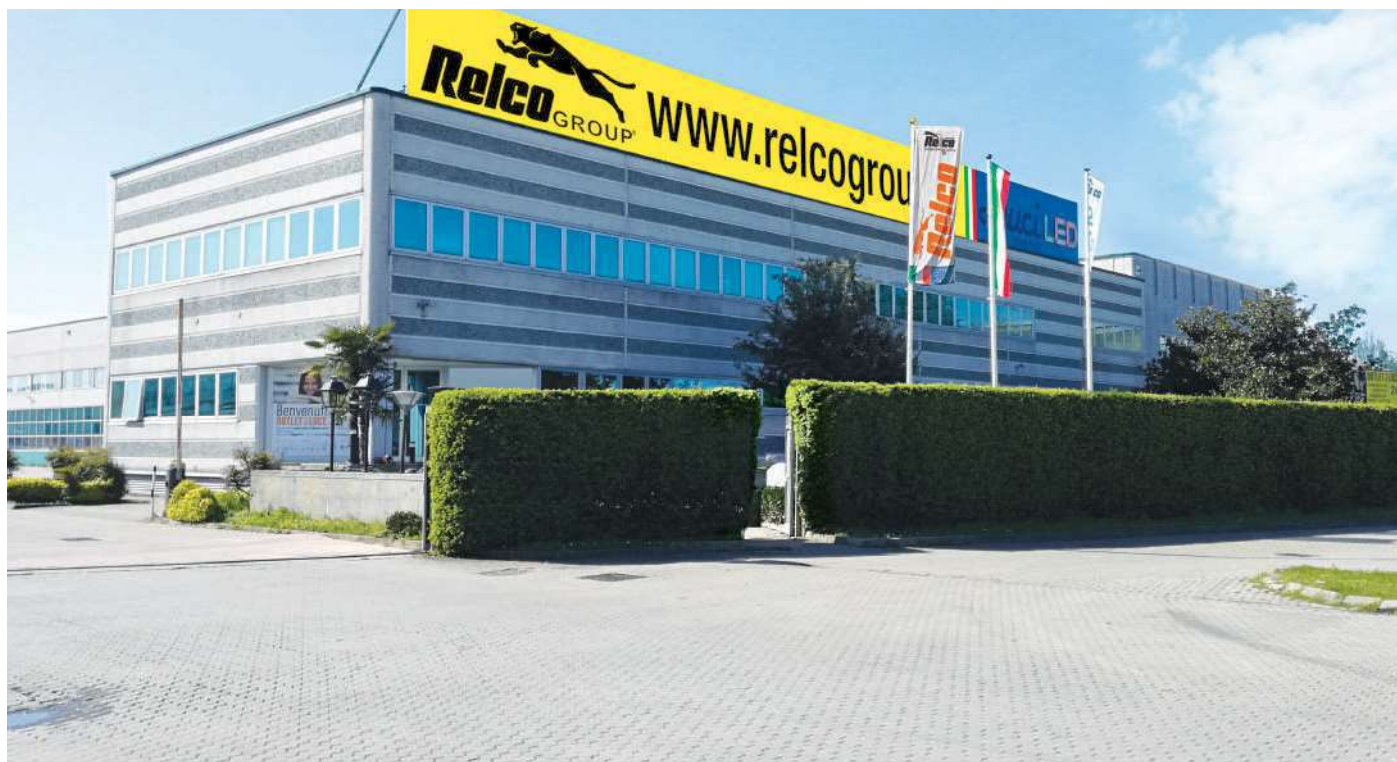

A **Relco Lighting** é uma empresa italiana, com sede em Milão, que atua no setor de iluminação há mais de 50 anos. **Foi fundada em 1967.**

Em 1975 criou o primeiro dimmer de luz, o primeiro de uma longa série de sucessos, os quais foram imediatamente adotados pelas principais marcas de iluminação, como a Flos, Artemide e outras marcas de referência. Com uma ampla oferta no setor da iluminação, produz desde drivers, balastros, lâmpadas, a luminárias para iluminação comercial, projetos de iluminação residencial e arquitetônica e iluminação de emergência.

A Relco Lighting está atualmente presente em todo o mundo, atendendo a clientes em mais de 80 países. Apresenta 2 marcas próprias, a Relco e a Segno, tendo adquirido nos últimos anos para o grupo, as empresas Leuci, Leonardo Luce e VLM.

Os produtos da Relco Lighting são conhecidos pela sua elevada qualidade, design inovador e tecnologia avançada, utilizando sempre os melhores materiais e as tecnologias mais recentes, para assim oferecer soluções de iluminação eficientes, económicas e sustentáveis.

PROJETO

Todas as nossas luminárias são desenhadas, desenvolvidas e testadas com vista ao máximo rendimento. Os projetos de iluminação RELCO, colocam à disposição dos clientes as soluções mais eficientes, mesmo em situações complexas. Quer projetar um novo conceito de iluminação? Fale connosco!
